Southwest Florida Regional Days in Tallahassee began in 2000 through an initiative of the Chamber of Commerce of Cape Coral. For many years the program was led by former Cape Coral Mayor, Joe Mazurkiewicz and Heather Mazurkiewicz, now Public Information Officer at North Collier Fire Control Rescue District. In more recent years, it has been administered by The Chamber of Southwest Florida in cooperation with the SWFL Alliance of Chambers. The program's goal is to empower local business leaders to advocate for the regions' interests at the state level by learning how state government works and engaging with our state senators and representatives.
